

# Crafting spaces for a better living

Furniko is an online e-commerce website that offers a wide variety of Furniture, Home Decor, Lamps, Furnishings, Homeware and more at the best prices.

## Scope of Work

+ UI/UX

+ Web Development

+ Content

The screenshot displays the homepage of the Furniko website. At the top, there's a navigation bar with links for 'Products', 'Rooms', and 'Inspirations'. A prominent banner features the tagline 'Spice up your space for a better living' with a callout for a 'Belarush 2 Seater Premium Sofa Set' priced at Rs. 64,000/-.

Below the banner, there are several promotional sections:

- Upgrade your Living Room:** Includes a 'Shop now' button and a thumbnail of a white sofa.
- For the Chef in you:** Shows a kitchen setup with a stove and oven.
- For the Kids:** Shows a large teddy bear on a bed.
- Into the Dreamland:** Shows a bed with orange pillows.
- Work It boss!** Shows a desk setup.

The 'Popular Categories' section shows thumbnails for 'Wardrobe', 'Sofas', 'Beds', and 'Kitchen'. The 'All Products' section shows a grid of various items like chairs, sofas, and home decor pieces. The 'Get Inspired by our Catalog & Blogs' section includes a catalog preview and blog cards for 'Inner Peace & Deep Rest' and 'Smarter DIYs for a clean and productive working spaces'.
